2020-2021

This Agreement is entered into between St. Alban Roe School, the student and the parent(s)/guardian(s) of the student.

- **Introduction:** St. Alban Roe School will provide each student in grades 5-8 a Chromebook, which the student is to use as a positive learning tool in coordination with the School's curriculum. Although this Agreement authorizes the student's use of the device for the year, the device is the property of St. Alban Roe School and must be returned upon the School's request or on the last day of the student's attendance for the school year.
- **Prerequisites to Receive:** To receive a device to use, the student's parent/guardian must sign and submit to this St. Alban Roe Student 1:1 Agreement.
- **Applicable Policies:** In using the device, the student is subject to and must comply with St. Alban Roe School's policies, Computer Use Procedure, and Student Handbook Policies addressing student discipline, harassment/bullying, and acceptable use of electronic network/technology and their associated administrative procedures and regulations. A violation of any of these policies could result in loss of network privileges, loss of right to use the device, or appropriate discipline decided by the administrative office.
